

Dr. Dae Won Cho

Consultant Spine Surgeon

LANGUAGES : ENGLISH, KOREAN

QUALIFICATIONS :

MD

EXPERIENCE :

- Dr. Cho is Korean educated and trained consultant with over 14 years of experience in the field of spine surgeries including Minimally Invasive Spine Surgeries (MISS). Highly experienced and skilled especially for the percutaneous endoscopic spine surgeries, which leaves only less than 1cm of surgical wound, maximizes the patientsâ satisfaction.
- He not only performs endoscopic surgeries but is also as experienced and skillful in conventional open surgeries, which are offered when endoscopic surgery is not suitable for the patientsâ conditions
- As surgical treatment would not always be the ultimate solution, various kinds of non-surgical treatments will be offered by him to the patients before and/or after the surgery is planned.
- He has travelled extensively locally and internationally presenting papers, delivering lectures, workshops and conferences and is also a peer reviewer of world famous spine journals, continuously putting efforts to the academic state- of â the- art.
